### **Public Comment**

Mary Shelton spoke about her concerns regarding her Public Records Act request to RPD regarding the Brown OID case. She noted that her first request was submitted last spring; she resubmitted the request, which was time stamped in July. She said she still hasn't received anything back from RPD.

### **Rabb Officer-Involved Fatal Incident Case**

Chairman Davidson spoke regarding the time frame of the Lane OID and noted that the Commission had made changes to its procedures to handle OID cases within 30 days of receiving the criminal casebook. He said that it is upsetting that the Commission now find itself in a similar situation with the Rabb case noting that RPD had the case for 10 months and CPRC for 2 months, leaving the Commission with one month to investigate and make a finding on the case. He noted that "something needs to change."

Chairman Davidson asked that discussion of the Rabb public report be kept to an hour. If a decision to approve couldn't be reached within that time, then it would be held over to the next meeting to address those issues.

After lengthy discussion, it was decided to continue discussion of the report to the September 13 Regular Meeting.

The Commission adjourned at 6:47 PM.

Respectfully submitted,
